Upcoming Events

Sept. 7

First day for K-6th
grade

Sept. 8

First day for
preschool/pre-K

Congratulations Graduates!

St. Maximilian Kolbe Catholic School is proud to send off their graduates knowing that they are prepared for junior high. Though they will be attending many different schools in the fall, they will always be remembered as a class of faith-filled students who endured the pandemic to graduate after a year of in-person learning. Congratulations to each of you!

Virtues in Practice

The month of May was the month our students worked on the virtue of Zeal. The following student were nominated as great examples of this virtue. They are Dillon M., Stella R., Elsie F., Michael B., Josh K., Joe R., and Brady W. The Disciple of the Month was Evelyn Zahn. Congratulations to each of you.

Summer SCRIP

SCRIP is a great way to continue to support St. Max School over the summer. Please see the attached flyer for all the due dates and details.

St. Maximilian Kolbe School is a Catholic community where all members are dedicated to the total development of each child, thus providing the foundation for a Spirit-filled and sacramental life.

Thanks to everyone who helped with River Street Jam!

River Street Jam was a huge success due in part to the generosity of school families who gave of their time to work at the event. Some came as early as 7:00am, and some stayed as late as 3am the following day. It was wonderful to see old and new families working together. This is not a school sponsored event, but the Booster Club donated the proceeds to St. Max School for special events and needed things. They have provided computers and Clevertouch boards in the past, and now we are looking to update the stage area and helping to obtain new classroom furniture. Thanks Boosters!

Garden Angels

Thanks to the “Garden Angels” who helped plant the gardens outside of the school. The garden looks great! Now, we are in need of just one more “Garden Angel” family to help keep it looking beautiful all summer long. Please contact the school office if you would be able to water the plants on Saturday throughout the summer. It only takes about 20-30 minutes.

Summer Hours at St. Max School

- The school office will be open from 8:00am – 12:00pm – Monday through Thursday or by appointment.
- Phone messages will be returned as soon as possible, usually within 24 hours.
- Emails to principal@stmaxkolbeschool.org will be answered as soon as possible, usually within 24 hours.

What a Way to End the School Year

2021 Track and Field Day photo

Track and Field Day was a great time; beautiful weather, outdoor activities with friends, and ending with a picnic!

Have a wonderful summer!
